

Pocket Pilot 3.0 Onboarding

X10c (EA/SA/INTA/NAA)

Requirements for using JURA Pocket Pilot 3.0:

- JURA Business Connect
- Compatible automatic coffee machine
- PC or notebook with an internet connection
- Smartphone (with the JURA Pocket Pilot Management app installed)
- JURA Pocket Pilot account (instructions below)

Check versions:

- Is the latest version of the JURA Pocket Pilot Management app installed?
- Android version 8.0 (or higher)
- iOS version 16.0 (or higher)
- Bluetooth version 4.0 (or higher)

Check permissions:

- Are Location Services for the JURA Pocket Pilot Management app turned on?
- Have all permissions been given to the JURA Pocket Pilot Management app?
- Is Bluetooth on your smartphone turned on?

Check Wi-Fi settings:

- Router frequency set to 2.4 GHz (not 5 GHz)
- Make sure your Wi-Fi uses WPA2-Personal (not WPA2-Enterprise)
- Channels 1 to 11 (not higher)
- Disable 20/40 MHz Coexistence
- The Wi-Fi password must be known

- ▶ Download the **JURA Pocket Pilot Management app** (App Store or Google Play)
- ▶ Connect your smartphone to the Wi-Fi and switch on Bluetooth.
- ▶ Open the location settings.
- ▶ Always allow location access for the JURA Pocket Pilot Management app.

- ▶ Turn off the coffee machine.
- ▶ Remove the cover with the JURA logo on the back of the coffee machine by sliding it downwards.
- ▶ Plug the Business Connect into the coffee machine’s service socket. (Some models already have it plugged in.)
- ▶ Switch on the coffee machine.

▶ Press the > button for **approx. 2 seconds** to enter the JURA Cockpit.

▶ Enter the default PIN **“000000”** to access the Cockpit.

▶ Press the  button.

▶ Press the > button several times until page  is displayed. Press the 'Accessories' button.

▶ Press the 'Business Connect' button.

- ▶ Press the 'Pocket Pilot' button.

- ▶ Press the 'Connect' button.

- ▶ A QR code is shown on the display of your coffee machine. Proceed to the next steps of these instructions to find out what you need to do with it.

- ▶ Open the JURA Pocket Pilot Management app on your smartphone.
- ▶ Log in with your account created on pocketpilot.jura.com.

- ▶ Touch the 'Scan QR code' button.
- ▶ Scan the QR code shown on your coffee machine's display.
- ▶ Enter the code displayed on your coffee machine's screen.

► Touch 'Pocket Pilot 3.0'.

► Enter the Wi-Fi password. It must be the same as the one you used to connect your smartphone.

- ▶ Enter a code that will be required later to access the machine settings.

- ▶ Enter a code that will be required later to access the maintenance settings.

- ▶ The company created on pocketpilot.jura.com should now be displayed.
- ▶ Touch 'Next'.

- ▶ Give your coffee machine a name.
- ▶ Touch 'Next'.

- ▶ Touch 'Back to home'.
The onboarding is now complete. Please make all further settings on pocketpilot.jura.com

If you were unable to connect, check all the settings from page 1 and try again.
If you are still having problems with the onboarding, call our customer support.
